**LEAVENWORTH COUNTY FOLLOWS NEW EXECUTIVE ORDER
FROM KANSAS GOVERNOR**

Earlier today, Kansas Governor Laura Kelly issued a new executive order (No. 20-16) to combat the COVID-19 pandemic in Kansas. The order will take effect March 30.

“One of the key parts of this latest order is the continuity it creates for the entire state,” said Leavenworth County Public Health Officer Jamie Miller. “Now, there is one place to go to have questions answered on essential functions.” Users can go to <https://appengine.egov.com/apps/ks/gov-essential> to ask specific questions and know the response works across Kansas.
